### Ratings

**Note:** Awards and ratings are highlighted to demonstrate our investment capabilities. Past performance is not a guide to future returns.

### Fund objective

The investment objective is to generate income with a target yield of approximately 5% per annum with the potential for capital growth over the medium term (being any five year period). By investing in the fund, capital is at risk. There is no guarantee that the fund will generate this, or any other level of income or returns.

## Risk factors

---

This fund is intended to be a medium term investment and your capital is at risk. Any investment objective, performance benchmark and yield information should not be considered as an assurance or guarantee of the performance of the fund or any part of it. An initial charge reduces the amount available for investment. Investors should be aware that funds denominated in a currency other than investors' home state currency are subject to currency fluctuations which may decrease returns. Please be aware that each fund presents its own risk profile. Material risks for this fund are: Credit; Liquidity; Counterparty; Other Markets; Concentration Risk; Fund Charges; Foreign Exchange; Interest Rate and Derivatives. Please read the KIID for an explanation and refer to the prospectus for information about all relevant risks.

Past performance is not a guide to future performance. The value of investments and the income from them may go down as well as up and is not guaranteed. Outcomes, including the payment of income, are not guaranteed.

Please note that performance for fixed income funds is shown net of charges and tax. Performance for equity and multi asset funds is shown net of charges but gross of tax.

Yield Disclosure: All yields as at 31 July 2023. Yields may vary and are not guaranteed. "Yield" in this context is the Historic Yield which reflects distributions declared over the past twelve months as a percentage of the mid-market unit price, as at the date shown. It does not include any preliminary charge and investors may be subject to tax on their distributions.

This document is accurate at the time of writing and is subject to change without notification.

Fund charges are deducted from income but will be deducted from capital where income is insufficient to cover charges.

Please read the Key Investor Information, Supplementary Information Document and Application Form carefully, particularly the section on Risk Factors. The Key Investor Information, Prospectus and accounts are available on our website [www.aegonam.com](http://www.aegonam.com).
